Other Information

If an email was used in this incident, please provide a copy of the entire email including full email headers.

Described in document. It was a wifi intercept that once the password was set in my phone, it engaged as the access point. There is no record of her phone connecting to any of our equipment. By that morning, the connections to my Generative AI agents had been disabled and I had just paid \$500 for a month of Gemini AI Ultra Services + GPT Pro.

Are there any other witnesses or persons affected by this incident?

Matt Ebert, a professional IT admin, who monitors our traffic, including with real time phone notifications of new devices accessing other devices in the facility. No connections occurred to any APs he can confirm with enterprise/IT grade logging and hardware on isolated secondary networks.

If you have reported this incident to other law enforcement or government agencies, please provide the name, phone number, email, date reported, report number, etc.

The collection of information on this form is authorized by one or more of the following statutes: 18 U.S.C. § 1028 (false documents and identity theft); 1028A (aggravated identity theft); 18 U.S.C. § 1029 (credit card fraud); 18 U.S.C. § 1030 (computer fraud); 18 U.S.C. § 1343 (wire fraud); 18 U.S.C. 2318B (counterfeit and illicit labels); 18 U.S.C. § 2319 (violation of intellectual property rights); 28 U.S.C. § 533 (FBI authorized to investigate violations of federal law for which it has primary investigative jurisdiction); and 28 U.S.C. § 534 (FBI authorized to collect and maintain identification, criminal information, crime, and other records).

The collection of this information is relevant and necessary to document and investigate complaints of Internet-related crime. Submission of the information requested is voluntary; however, your failure to supply requested information may impede or preclude the investigation of your complaint by law enforcement agencies.

The information collected is maintained in one or more of the following Privacy Act Systems of Records: the FBI Central Records System, Justice/FBI-002, notice of which was published in the Federal Register at 63 Fed. Reg. 8671 (Feb. 20, 1998); the FBI Data Warehouse System, DOJ/FBI-022, notice of which was published in the Federal Register at 77 Fed. Reg. 40631 (July 10, 2012). Descriptions of these systems may also be found at

www.justice.gov/opcl/doj-systems-records#FBI. The information collected may be disclosed in accordance with the routine uses referenced in those notices or as otherwise permitted by law. For example, in accordance with those routine uses, in certain circumstances, the FBI may disclose information from your complaint to appropriate criminal, civil, or regulatory law enforcement authorities (whether federal, state, local, territorial, tribal, foreign, or international). Information also may be disclosed as a routine use to an organization or individual in both the public or private sector if deemed necessary to elicit information or cooperation from the recipient for use by the FBI in the performance of an authorized activity. "An example would be where the activities of an individual are disclosed to a member of the public in order to elicit his/her assistance in [FBI's] apprehension or detection efforts." 63 Fed. Reg. 8671, 8682 (February 20, 1998).
